

6-2. Circuit Locations with Latitude & Longitude vs Average Fastest LapTime 2018-2019

Average of fastestLapTime (minutes) for each Circuit Longitude broken down by Position, Circuit Location, Circuit Country and Circuit Latitude. The data is filtered on year, which ranges from 2018 to 2019. The view is filtered on Position and Circuit Location. The Position filter keeps 1, 2 and 3. The Circuit Location filter keeps 27 of 27 members.

6-2. Circuit Locations with Latitude & Longitude vs Average Fastest LapTime 2018-2019

Average of fastestLapTime (minutes) for each Circuit Longitude broken down by Position, Circuit Location, Circuit Country and Circuit Latitude. The data is filtered on year, which ranges from 2018 to 2019. The view is filtered on Position and Circuit Location. The Position filter keeps 1, 2 and 3. The Circuit Location filter keeps 27 of 27 members.
